Certified Occupational Therapy Assistant – Part Time/Full Time positions available

Children Rehabilitation Center offers the opportunity to work collaboratively with our multi-disciplinary team of Physical Therapists, Physical Therapy Assistants, Speech Therapists, Speech Therapy Assistants, and Occupational Therapists. Our clinic is part of 3 clinics servicing the Inland Empire.

We are rapidly growing and need COTA's who have a passion for helping children.

Primary Job Duties:

Under the supervision of an Occupational Therapist:

- Conduct treatment for pediatric clients and their families. Assist children in reaching goals that improve their quality of life, their independence, and their health.
- Evaluate patients' needs and share these findings with the supervising Occupational Therapist. Plan and problem solve with the supervising OT in order to help each client reach his or her goals.
- Collaborate with other professionals, paraprofessionals, and parents in order to provide an effective program
- Document all treatment sessions on a daily basis and provide appropriate documentation to supervising OT.
- Maintain patient files and treatment logs in an organized manner.
- Develop instructional materials, and utilize commercially produced materials for use in treatment as recommended by supervising OT
- Keep current on latest developments in field of occupational therapy by conducting research related to the patients you are treating, attending professional seminars, reading current literature, and participating in professional organizations.
- Clean and maintain equipment
- Perform other related duties as assigned.

Qualifications:

• State certification in COTA, Graduate from an accredited Occupational Therapy Program Assistant program

• 1-2 years pediatric experience

- New graduates will be considered. It would be beneficial if applicant has some experience working with children under 5 years old, and/or children with special needs.

Benefits and Compensation:

Full time employees are eligible for medical benefits as well as paid days off, sick time and paid vacation.

- Please send resume to Lora Richards, Director of Children Rehabilitation Center at lorar@totalcaretpinc.com
