

# CurriQunet Meta Distance Education Addendum

## A. Type of delivery (Check all that apply)

- 100% Online
- Online Hybrid
- Fully Online with Mutual Agreement
- Other

**B. What will be the methods of instruction used in this distance learning modality? Describe and give examples of online methods of instruction, which might include course management system discussion boards, blogs, or wikis; instructor developed web lectures; converted Power Point presentations; digital video clips; graphics (digital charts, diagrams, photos, images, annotated screen shots); digital animations; web guests; online reference resources; chat; e-mail; webinars; publisher prepared online materials; course cartridge materials; CD/DVD support materials; instructor website; online library requests; textbook supplements.**

**C. Title V (§ 55376) states “Any portion of a course conducted through distance education includes regular effective contact between instructor and students, and among students, either synchronously or asynchronously, through group or individual meetings, orientation and review sessions, supplemental seminar or study sessions, field trips, library workshops, telephone contact, voice mail, e-mail, or other activities.”**

1. Describe how you will maintain regular effective contact with students, including what will make this interaction effective.

2. How you will promote and ensure regular effective and substantive contact among students. (student-to-student contact)

- Course Grading Criteria
- Group Assignments
- Regular Graded Discussions
- Student-to-student interaction as part of rubric criteria
- Other

**D. Describe and give examples of how student learning will be evaluated.**

**E. Describe college resources that will be required by you and your students in each of the following areas:**

1. Facilities (e.g., classroom for orientation sessions, exams, etc.)

2. Technology (e.g., software, hardware, technical support, etc.)

3. Student Support Services (in addition to existing online services)

**F. Two federal laws pertain to the needs of individuals with disabilities in the United States. The first is Section 504 of the Rehabilitation Act of 1973 (Section 504) and the second is the Americans with Disabilities Act of 1990 (ADA). The following instructional materials will be used in this course and verified to meet accessibility requirements?**

- Documents: Verify and update any documents such as: Word, PDFs, PowerPoints, Excel
- Homework Platforms: Verify all software used is accessible
- Learning Management System: Verify all Canvas pages are accessible
- Multimedia: Verify/Create audio transcripts, video captioning and image alt text
- Third-party software: Verify any required or optional applications are accessible
- Timed Assignments: Verify accommodation abilities for student accommodations per DSPS
- Other
