Projects

Catalog Review

Ensure that our College Catalog is student focused and current. Provide electronic access.

Course/Program Currency

With the Program Review Committee, ensure that we are offering courses and programs to meet student need.

AB 1705 Allocation

Resources to support retention and completion in Math and English in the first year.

NCR to CR Pathways

Focused efforts to build strategic bridges between School of Continuing Education and SAC credit programs.

Equity-Minded Curriculum

Reviewing how we teach and students learn through an equity lens. Incorporate effective practices into the curriculum process.

Program Mapping

Leverage CurriQunet Meta and our curriculum processes to review and update program maps. Make them easily available to students.

Projects

Next BDP

Continue to provide resources and information to faculty to build out the next **Baccalaureate Degree Program (BDP)** at SAC.

CJA Center Status

Applying for Center Status for the existing academy in Tustin. Will bring in an additional \$1 Million to support teaching/learning.

Apprenticeship

Support and manage influx of interest/demand for apprenticeships at SAC

Inmate Education

Expand on current SCE offerings to include college level courses and student support services such as Project Rise.

OER/ZTC

Link to statewide resources to develop additional pathways.

Projects

AB 928

Commonly called CalGETC. Align general education requirements, facilitating transfer, across CCC, CSU, and UCs.

Ethnic Studies

Required course for graduation.

Recent allocation to ensure articulation, program expansion, and faculty professional development.

- Dangers of Opioids

Take Action to Prevent Addiction

Learn how to reduce risk.

Know the Facts About Opioids

41 PEOPLE DIE EVERY DAY

Every day in the United States, 41 people lose their lives to prescription opioid overdose.

Prescription opioids—like hydrocodone, oxycodone, and morphine—can be prescribed by doctors to treat moderate to severe pain but can have serious risks and side effects.

ANYONE CAN BECOME ADDICTED

Opioids are highly addictive. Research shows that if you use opioids regularly, you may become dependent on them.

That's because opioids change how the brain and nervous system function. **You can't know how your brain will react to opioids before taking them.**

Talk With Your Doctor

Your doctor may talk to you about prescription opioids for pain treatment. Ask about the risks and benefits so that you can work together to decide what is best. You can also ask your doctor to help you find other safer ways to manage pain.

It Only Takes a Little to Lose a Lot

Opioids can be addictive and dangerous.

Risks include misuse, addiction, and overdose.

Opioids affect the part of the brain that controls breathing.

If you take too high a dose, it can slow your breathing and cause death.

Combining opioids with alcohol and other drugs—

like sleeping pills or cough medication **—increases your chances of death!**

Kindercaminata

- 1,000 Kindergartners
- March 29, 2024

The graphic features a large photo of a young boy in a white shirt and tie, smiling and holding a yellow sign. Below him, the text 'KINDER CAMINATA 2024' is written in large, bold, yellow letters. Three smaller photos show children at a table, a group of children sitting on the ground, and a group of children in a line. A yellow sun with a smiley face is on the left, and the phrase '¡SI SE PUEDE!' is written in large, bold, yellow letters. Below this, a yellow box contains the text 'SAVE THE DATE: MARCH 29, 2024'. At the bottom, there is a green box with text about the event's history and a yellow box with contact information. The background is decorated with colorful confetti.

KINDER CAMINATA 2024

¡SI SE PUEDE!

**SAVE THE DATE:
MARCH 29, 2024**

Kindercaminata was founded in 1993 to celebrate the life and accomplishments of Cesar Chavez. "Si Se Puede!" was Chavez's motto and has been the theme of Kindercaminata since the beginning. Kindercaminata strives to provide an early college experience for children to imagine college is possible.

Each year 1,000 kindergarten students arrive at SAC for an inspiring morning of:

- career demonstrations
- a "Si Se Puede!" march through the campus

Hey Trudy,
Just want you to
know I've been
thinking about you
lately. I'm sure you
are blessed, and
your energy is high.
I'm confident your
students are having
fun learning. **You
are special to me.**
