Information is subject to change after publication.

NOTE REGARDING MATH 204/204L HYBRID SECTION

Course Format: Online, Remote Live Zoom, Face-to-Face In-Person

Students taking Math 204/204L Hybrid classes will learn the same mathematics content as students enrolled in the regular Math 204/204L course. The regular Math 204/204L class meets in-person twice a week, 3 hours each meeting for a total of 6 hours per week. The Math 204/204L Hybrid course is designed to offer students flexibility in their schedule by meeting only once a week.

Students in the Hybrid courses meet one week on Zoom for 1.5 hours and the following week they attend class in-person for 3 hours. This class meeting structure follows this alternating pattern for the remaining weeks of the semester. Students enrolled in the Hybrid courses are also expected to learn some of the course content using lecture videos before each face-to-face class. Below is the schedule of meeting times for the Spring 2024 semester.

Math 204L - Wednesdays 5:30pm-7:00pm (1.5 Hours)

Week 1, 3, 5, 7, 9, 11, 13, 15 (Remote Online Zoom meetings for 1.5 hours each)

Math 204 - Wednesdays 5:30pm-8:30pm (3 Hours)

Week 2, 4, 6, 8, 10, 12, 14, 16 (In-Person, On-Campus class meetings for 3.0 hours each)
