Dear Dr. Martinez,

Hands on Hands Rehabilitation Center, Inc. is pleased to write this letter in support of Santa Ana College's proposed baccalaureate degree in Occupational Studies. Santa Ana College continues to host a highly successful Occupational Therapy Assistant (OTA) Program, accredited by the Accreditation Council for Occupational Therapy Education. The proposed B.S. degree features more in-depth training and research-based evidence for best practices in the field and will provide a solid foundation for practitioners seeking to transition into graduate-level course work in Occupational Therapy.

Hands on Hands Rehabilitation Center, Inc is located in Orange County. Approximately 1000 clients receive Occupational therapy Services at our three Hand Clinics annually. Hands on Hands Rehabilitation Center, Inc is specialized in the area of UE Rehabilitation. For more than 7years we have been working with both Level 1 and 2 Field Work Students from the OTA Program at Santa Ana College, these OTA students come well prepared for their Field Work.

In supporting Santa Ana College's proposal, we acknowledge that the baccalaureate degree in Occupational Studies would increase the breadth and depth in all areas of clinical training of OTA Students and COTA staff including:

- Specific clinical practice techniques
- Healthcare ethics
- Cultural competency
- Application of research-based evidence
- Documentation
- Professional growth

Hands on Hands Rehabilitation Center, Inc will continue to work with Santa Ana College and the current Occupational Therapy Assistant program as well as proposed Occupational Studies baccalaureate degree program.

Sincerely,

Jay W. Yeager, COTA/L
