

Portfolio Assessment/Program Review Four-Year Capstone Cycle by Division

The following departments will submit a capstone PA/PR report (i.e., all sections of the 19QT) to the dean of the division by October 15th. These will be reviewed by the division curriculum committee and then sent to the chair of the Teaching Learning Committee by October 30th. **Please Note:** All departments will submit an annual updated Department Planning Portfolio to their respective deans by October 30th so the Division Plan may be submitted to the Vice President of Academic Affairs by December 15th.

- ◆ The TLC reviews all capstone PA/PR reports annually and assesses them, making recommendations for immediate or future revision.
