Faculty members are responsible for recording all institutional, program, and course-level student learning outcomes assessment plans and results through [APR](#). Please refer to those assessment reports and respond to the prompts below, providing an analysis of these results.

4. How has your department used assessment of SLOs, PLOs, and ILOs to initiate program improvement (i.e., curriculum updates or changes, delivery of content/services, and/or the development of new department goals) since the last program review cycle? How have these changes positively impacted student learning and achievement?

5. Based on SLO, PLO, and ILO results, what additional needs have been identified through the department's Resource Allocation Request or [RAR](#) budget process? Please refer to the prior [RAR](#) submissions, commenting on whether an identified need was funded (through any source) or not, and if funded, the impact it has had on student learning.

6. The [Accreditation 2014 Standards](#) require departments to disaggregate and analyze program learning outcomes and achievement data for subpopulations (e.g., ethnicity, age, daytime/evening student, full-time/part-time, gender, disability, etc.) of students (Standard I.B.6). Using the *disaggregated PLO data* provided from the Office of Institutional Effectiveness, has the department identified any performance gaps in these subpopulations of students served? If so, what steps is the department taking to mitigate those gaps?

III. Data/Trends

7. What research has the department conducted when formulating, restructuring, and/or eliminating its goals? Please refer to the [Reports Directory](#) and [Program Review Resources](#) sites for an updated listing of recently conducted research reports. You may also include other resources (e.g., department research, external articles) obtained by your department. Any specific references to a particular report should be cited when answering this prompt.

Please review your department portfolio data, provided by the Office of Institutional Effectiveness, as well as newly available Student Equity Action Tool or [SEAT](#) data, for the prompts below.

8. Based on previous APRs, identify any areas or trends of disproportionate impact and explain how the department plans to close achievement gaps for these subpopulations.

9. Describe any observed trends (including growth/decline) as related to the various key indicators (e.g., FTES generated and productivity, success and retention rates compared to the College's institution set-standards, degrees and certificates awarded by your department). Based on the above trend data analysis, what are the strengths of your department? What improvements are needed, and how do these perceived improvements correlate with SLOs assessment (based on questions #4, 5, and 6 above)?

IV. Curriculum and Pedagogy

10. Describe any substantial changes made to the curriculum (e.g., new courses/degrees, course deletions, distance education additions) as well as any pedagogical innovation (e.g., learning communities, contextualized learning, supplemental instruction, technological) designed to support student learning, based on outcomes and data analyses.

11. How have academic and student support services enhanced student learning within your department?

V. External
