Colleagues,

In preparation for writing the April issue of the Rancho View, the RSCCD employee newsletter, you are invited to submit any questions about District services or programs that you would like to have answered. The plan is to create a column addressing these questions in the upcoming newsletter.

You can forward your questions to me via email by April 17 or if you prefer to submit a question anonymously, you can do so using our online, anonymous suggestion box: Boxwire. You can access that channel by following [this link](#).

Thank you,

Judy Iannaccone
