SACTAC Meeting Dates: 9/25/14, 10/23/14, 11/20/14, 2/26/15, 3/26/15, 4/23/15, 5/28/15

Goals	Completely Met	Partially Met	Not met/should be carried over	Not met/ no longer a priority
Updating of the PC's on campus <ul style="list-style-type: none"> Selected PC's that had not been replaced or updated within the last 4 years College replaced 50% of the older computers District replaced 50% of the older computers 		Updating of PC's is an ongoing part of the Tech Plan		
Mediating un-mediated classrooms <ul style="list-style-type: none"> Currently unmediated classrooms in the D building are mediated Classrooms in the C building in need of mediation replacement are mediated. 		Updating and replacement of mediation a part of the Tech plan		
Establish a mediation standard	Established June 2015			
Establish a PC standard	Established May 2015			
Move over the website and SAC operations to Sharepoint 2013	Completed May 2015			
Revision of SAC Technology Plan		Goals were reviewed. Revision is in process. Needs to go to College Council and the Academic Senate.		
Development of Ellucian Mobile <ul style="list-style-type: none"> Platform was purchased. 		Registration functions are still not complete.		

<ul style="list-style-type: none"> • GPS coordinates for buildings have been inputted. • Explorations into using the app for registration are ongoing. 		An office at the college needs to be responsible for updating messages and alerts to students.		
<p>CI Track updating</p> <ul style="list-style-type: none"> • Campus needs were analyzed. • A request was made to the district to update CI Track and integrate the desired abilities into the platform 		CI Track's front end is currently being redesigned. CEC and SAC credit areas that use CI Track need to consider changes in operations to best utilize the new technology.		
Institution of a Web Committee to discuss web protocol and SAC's web needs	Established October 2014			
Deployment of the Adobe Creative Suite	Deployed October 2014			

Recommended goals for next year: Continue the goals stated above. Finish those that have been partially met.

- Develop and implement single sign-on portal
- Beta-test and refine Ellucian Mobile for campus use
- Complete refinement and roll-out of new CI Track
- Revise and redesign SAC Website
- Complete assessment of Canvas as possible replacement for Blackboard
- Expand use of Online Educational Resources
