An aggregate dollar amount would be helpful. I really appreciate this.

Subject: Use of Equity and BSI Funds

Shelly just stopped by and asked that we send you how the LC is using Equity and BSI money. Do you need dollar amounts or will what I have below suffice?

The Learning Center currently is using Equity money to

- Expand math tutoring (approximately 14 hours a week)
- Provide chemistry tutoring (4-6 hours a week)
- Expand accounting tutoring (6 hours a week)
- Provide Learning Center hours on Saturday with tutoring for English, EMLS, reading, communication studies, Spanish, math and chemistry (3 hours)

The Learning Center is using BSI money to

- Expand English/writing/reading/EMLS/communication studies tutoring (approximately 67 hours a week)
- Expand math tutoring (approximately 16 hours a week)
