

### **CONSTRUCTION ALERT**

**Date:** February 5, 2019

**What:** Johnson Student Center – Temporary Covered Walkway Installation

**When:** 02/14/19 through 02/15/19

**Where:** Santa Ana College – North of Building J (Auto/Diesel)

**Activities:**

A temporary covered walkway will be installed north of Building J, between the existing Johnson Center and the Auto/Diesel classrooms.

Construction foot traffic and noise will be increased during this time. Signage, caution barriers and flagmen will be in place to ensure the safety of students and staff that need access to this area.
