		State Update						
		General Fund revenues for the month of October 2014 were \$719 million, or						
		10.8% above the \$6.639 billion assumed in the 2014-15 Budget Act. Year-to-date, General Fund revenues are up \$1.033 billion, or 3.7% as compared to the						
		forecast. At this point last year, General Fund revenues were \$485 million, or						
1.9% over the forecast. This year greater than estimated General Functions are about twice what they were last year at this point in the fiscal								
		yearbut we are not even to halftime yet.						
		• The minimum funding guarantee for K-12 education and community colleges is "especially favorable" for the near-term, according to the Legislative Analyst's Office (LAO). The LAO forecasts that higher state revenues will drive the minimum guarantee from \$60.9 billion as enacted in the 2014-15 State Budget to \$65.8 billion in 2015-16 under its forecast. After adjusting for one-time expenditures of \$1.5 billion that occur in 2014-15 but not in 2015-16, this

BUDGET UPDATE (cont.)	DISCUSSION/ COMMENTS	ACTIONS/ FOLLOW UPS
	• The LAO forecast shows state revenue growth slowing from an average of 4.9% annually between 2014-15 and 2017-18 to 2.3% by 2019-20. Personal income tax revenue growth slows to 1.2% in 2019-20, largely as a result of the expiration of the higher tax rates of Proposition 30.	
	• The LAO's forecast, the 2013-14 Proposition 98 guarantee is revised upward by \$177 million to \$58.5 billion	
	 For 2014-15, the minimum guarantee is up \$2.3 billion from the 2014-15 State Budget Act level. After paying off the remaining deferrals, the LAO estimates that \$1.5 billion will still be available for other one-time purposes. CRITICAL TO UNDERSTAND THAT THIS ONE-TIME REVENUE HAS NOT BEEN PLANNED FOR AT THE STATE LEVEL, OTHER THAN PAYING DOWN PAST CASH DEFERRALS TO THE COLLEGES, AND WE CANNOT BANK ON RECEIVING ANY OF THE REVENUE AT THIS POINT. 	
	• Governor will release his Proposed FY 15/16 State Budget Plan January 10 th - I'll head up to the workshop on Jan. 14 th and provide information when I return.	
	At the November 17, 2014, meeting of the Board of Governors (BOG), the full-time faculty obligation number (FON) was brought forward as an action item. Every year the BOG is required to determine whether sufficient funds were provided from the State Budget to increase the FON going into the next year.	
	 District Update Next FRC takes place on Dec. 10th For FY 14/15, SAC is looking at hiring 19-22 new faculty. 9 funded retirement replacements at this point on the books, with 10 or 12 additional new unfunded positions. SAC will continue to adjust the faculty vacancies, along with the budget implications as faculty retirements are submitted. The hiring freeze continues, with the exemption of categorically funded positions. 	
	 SAC Update RAR forms have been released and depts. and divisions will work through the process of tying requests to program review documents. Due on Dec. 17. SAC is tracking our budget very closely. We have been creating cash flow reports for the different divisions so that they can better track expenditures and extrapolate discretionary costs to understand where they will end up at the end of the yearcatch negative balances now. SAC will be building our 15/16 budget from a zero-base, except for our fixed costs. This work will start in January.

Ensure that SP Intersession and Spring are efficient with high demand classes being offered while maximizing seat counts for increased FTES. Uphold the hiring freeze (GF positions)- these vacant positions will not be used to fund other areas of need. Use lottery funds instead of GF for instructional supplies. Evaluate all ISAs for cost/benefit. Conserve electricity and reduce utility expenses (institute set points for HVAC, reduce water use by 10%). S. 	 The committee discussed the importance of a marketing strategy for the college. Important to incorporate the district operation's marketing team in these efforts. The district marketing team is mainly focused on external marketing. Internal efforts are the responsibility of the colleges. Important for each college to decide on a plan for themselves. How do we let students know who we are? Method of reaching our students has changed, we need to be competitive in our efforts. Social media crucial component. Marketing also involves how you deliver your product. The responsibility of a strategic marketing plan discussion/plan falls to the Cabinet. Ms. Brennan will discuss the idea of a student survey with the ASG to capture student feedback and report back at the February meeting. 	
	 Committee Goals The committee goals were reviewed by the committee. After discussion, the following edits were made to the 2013/14 SAC Planning and Budget ongoing and basic goals in an effort to develop the 2014/2015 goals: Clarify and communicate the planning and budgeting process within the committee and across the campus. End the fiscal year with a positive balance and a contingency reserve. Perform an annual institution-wide evaluation of the effectiveness of the Resource Allocation Process and analyze the results to enable for continuous improvement. Engage in implementing a more robust total cost of ownership program and utilize it as a budgeting tool. The proposed 2014/2015 goals will be sent out to the membership for review and input and will be brought back to the February 3 Planning and Budget meeting.

November 14th-16th, ASG attended the Fall General Assembly of the SSCCC with more than 70 colleges from across the state in attendance. This was the first year Santa Ana College submitted a Resolution to the General Assembly. Our "Cigarette Waste Recycling" resolution was passed by majority vote and adopted by the SSCCC. We passed a series of Resolutions that we will be advocating for such as the "Student Leadership Transcript Notation", "Prop 13 Reform", "Establishing an International Student Resource Center", and approving unanimously "Safe Place Implementation", and "Yes Means Yes" resolutions. We attended various informational and training workshops to promote student leadership and advocacy.

We are conducting surveys for gender neutral restrooms, parking, and coffee cart usage due to discussion on both campuses as being areas that need to be addressed for our student population. In the a previous General Assembly, community college students from across the state approved the advocacy on behalf of and the implementation of gender neutral restrooms as a student equity and diversity issue.

This past November we honored our Veteran Students with our Veterans Appreciation week, and hosted an event in the Spot for veterans and their families and friends to entertain and indulge in food and other treats. November was also our Native American Heritage month. We hosted an event by the fountain on Wednesday the 19th, and provided informational booths, gave away sage, and shared in Native American heritage through dance performances.

December 1st from noon to 2pm, Phi Theta Kappa and the Health Center hosted the World Aids Day event, providing information about AIDs prevention, statistics, and resources within our community.

December 8th from 8am- 5:30pm, we will be hosting our Stress Relief Event in front of the Spot. We will be distributing scantrons, blue books, pencils, snacks, energy drinks, coffee, and more! We will have Paws for Stress Relief at this event from 11am- 2pm, which is a group of therapy pets and trainers to provide a positive outlet for stress.
