

**SANTA ANA COLLEGE
Participatory Governance
Committee
Year-End Assessment Form**

Committee Student Success Committee

Chairs Sara Lundquist & Mary Huebsch

Members Please see attached

Date May 2011

Goals	Completely met	Partially met (Please explain)	Not met/should be carried over (Please explain)	Not met/ should not be carried over (Please explain)
1. To serve as the governance repository for the work of BSI, Matriculation, Transfer, and Scholarship committees.	XX: Reports and updates are included from committee chairs as part of every meeting.			

2. To be an institutional think tank where ideas that will enhance/maximize student success are vetted across SAC constituencies for implementation consideration.	XX: Purposeful dialogues held at every meeting create a plan to prioritize and problem-solve as an academic and student-centered community.			
3. To serve as the operational arm for the Innovation Grants and the Sustaining Excellence Grants in collaboration with the SAC Foundation.	XX: Competitions were completed and funds were awarded.			
4. To review college-wide student success data and to recommend ways to frame critical student success conversations college-wide.	XX: SAC's Winter Convocation was launched from the committee as well as a robust, continuing partnership with USC's Center for Urban Education.			

Recommended goals for next year:

To continue the goals for 2010-2011.

What outcomes and/or body of work have been generated by this committee?

- **A comprehensive BSI Plan, including state reports, budget documents, a proposal submission and review template, and revised related college planning and resource allocation tools**
- **Planning documents and updated policies in relation to SAC's comprehensive matriculation program, Scholarship Office, and Transfer Task Force**
- **Research reports from the RSCCD Research Office and the Center for Urban Education at USC**
- **Documentation of the review and advancement of proposals from throughout the college community for SAC Foundation funding through the Innovation Grants Program and the Sustaining Excellence Grants Program**
