

Training Academy Preparation T.A.P. Class

The Orange County Sheriff's department in partnership with Santa Ana College developed this 8-hour course to assist individuals entering the modular academy. In our experience recruits at times need this stepping-stone to master their confidence or to bring them up to the level of more experienced recruits. Training includes:

- Introduction to CJTC Academy Facility
- Honor Code
- Drill (including basic movements, flag ceremony and marching)
- Diet and Nutrition
- Overview of Physical Training
- Reporting and Speeches

All Modular Academy recruits are encouraged to attend. We are confident that every individual will benefit from this course and will be better prepared for their experience as a basic or modular academy recruit.
