

SANTA ANA COLLEGE

August 31, 2009 to December 14, 2009 - TESTING SCHEDULE

All students **must** have a picture I.D. to test. Appointments are required for TELD and paper and pencil CTEP & Math tests. CTEP (English and reading) and MDTP (Math) computer based testing is available on a walk-in basis. Please arrive 30 minutes early to check in for CTEP and TELD tests and 20 minutes early for math tests. All students will need to schedule an appointment for orientation and advisement after testing in order to receive tests results.

MATH: The Math Diagnostic Testing Project (MDTP) has four different levels. Choose the level you feel you are best prepared to take. Sample questions are available for each test.

Math test scores are only valid for one year. If you took the math test more than one year prior to the date you register and you did not take a math class during that year, you will need to retest.

CTEP: For native speakers of English or others who have studied English and/or ESL in school for at least seven years or who use English frequently on a daily basis.

Test scores are only valid for two years. If you took the English placement test more than two years prior to the date you register and you did not take an English class during those years, you will need to retest.

TELD: For students whose native language is not English and who have not studied English and/or ESL in school for at least seven years or who do not use English frequently on a daily basis.

Test scores are only valid for two years. If you took the ESL placement test more than two years prior to the date you register and you did not take an ESL class during those years, you will need to retest
