

## **MODULE 14**

### **WEB RESOURCES**

I have included a number of web sites that I have discovered while putting this course together. Each one serves a different purpose, but not all may be of interest to you. You may want to bookmark these. If you find Web sites that no longer work please contact me at [sadler\\_dennis@sac.edu](mailto:sadler_dennis@sac.edu). If you discover any that might be included, please send them to me.

#### **College and Universities**

This web site has a wealth of information about [Going to College](#). You may find many resources at this site that will assist you in meeting your career/personal goal. There is no course assignment associated with this site. It is purely information.

The Santa Ana College [Career Center](#) and [Transfer Center](#) has many resources that can be found book marked at this site.

The [Assist](#) site has information about transferring between California community colleges and UC or CSU including Articulation Agreements. Just identify where you want to go and the major and it will give you the course equivalency to our courses and majors at SAC.

You may want to visit the [University of California \(UC\)](#) web site. You can link to individual campuses to find their catalogs and other information.

You may want to visit the [Cal State \(CSU\)](#) web site. You can link to individual campuses to find their catalogs and other information

The [California Articulation Number System \(CAN\)](#) is a course identification system for common core lower-division transferable, major preparation courses commonly taught on CCC and CSU campuses.

[Links to University Home Pages](#) contains a list of [regionally accredited](#) U.S. universities organized by state.

[Links to Community Colleges](#) lists [regionally accredited](#) community colleges in the U.S. and provides links to those with a Web presence.
