

GOLDEN GATE UNIVERSITY

December 15, 2003

Dear Articulation Officer:

Enclosed is a copy of the *Golden Gate University 2003-2004 Bulletin*.

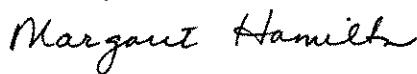

Also enclosed is a current copy of our articulation reference for California Community colleges. The articulation reference uses CAN and IGETC designations to identify courses that will satisfy Golden Gate University requirements. Our goal has been to maximize transfer credit for California Community College students by broadening our interpretation of acceptable transfer credit.

Some general guidelines:

- * *Golden Gate does not require completion or certification of the IGETC.* We admit transfer students with as few as 24 semester units.
- * All Golden Gate degrees require a speech course. Prospective students should follow the CSU IGETC pattern for maximum credit.
- * Golden Gate degrees require only one science course. If a second science course is taken for IGETC, it will be considered elective credit.
- * Golden Gate does not require a foreign language.
- * Most Golden Gate degrees require a math course equivalent to College Algebra or Pre-Calculus.
- * Golden Gate will accept a course equivalent to CAN ENGL 4 for our ENGL 1B. Courses satisfying IGETC Area 1 Group B will not satisfy ENGL 1B but will satisfy our Critical Thinking requirement.

Please contact me at 415/442-7220 if you have questions. Our Admission Counselors are also available to assist students in making choices within the IGETC that will maximize transfer credit to Golden Gate.

Sincerely,

Margaret Hamilton
Associate Director of Admissions
