

SANTA ANA COLLEGE SUMMER RESEARCH SCHOLARS PROGRAM 2009

Program Overview

Current Santa Ana College students and fall 2009 university transfers are invited to apply to be a Santa Ana College Summer Research Scholar. This program was developed to support students who are enroute to a Bachelor's Degree and seriously considering graduate study. The program will feature research training seminars, presentations by distinguished scholars and the opportunity to execute a small group research project.

The program begins on Monday, June 15, 2009 and continues through Wednesday, July 22, 2009, meeting every Monday and Wednesday from 1:00-5:00 p.m.

APPLICATIONS will be available at the information sessions and will be **due Friday, April 24, 2009**. For more information please contact the Office of the Vice President, Student Services at (714) 564-6085 or SAC_VPStudentServices@sac.edu

Program Benefits

As a result of your participation in the Summer Research Scholars Program, you will:

- ◇ gain valuable research experience for your academic portfolio,
- ◇ have the opportunity to network with scholars from UC and CSU institutions
- ◇ have personal contact with a faculty advisor,
- ◇ work with other motivated students,
- ◇ field trip to UCI and CSUF during the program,
- ◇ explore future research and graduate studies opportunities.

Program Requirements

- ◇ *attend all meetings and required lab sessions (less than 100% attendance will jeopardize participation),
- ◇ meet weekly with your research team and actively participate in the group project,
- ◇ turn in all assignments in a timely manner,
- ◇ meet weekly with advisor/TA.

Program Expectations

We expect that you will make the very best of your experience in the program. To this end, we expect that you will:

- ◇ work collaboratively and respectfully with team members,
- ◇ contribute your insight and opinions to group projects,
- ◇ always conduct yourself in a professional and scholarly manner,
- ◇ ask for guidance from support staff and team members when needed.
