## Santa Ana College CDC Testimonials

From parent surveys:

"I love this program. The hours of operation are perfect for me and its close to my house. I have gotten a lot of help from your staff. I am a single mom and the mom of two. So I need the help. I trust the staff and the activities."

"Great Staff. Awesome Program. Everyone is friendly and helpful. I love your program. My child is very happy so I'm very happy."

"The program has helped my son and encouraged him to learn."

"This is a wonderful because I get the help I need in order to attend school. I think this is a well structured program."

"My toddler son is really happy and learning a lot of new words! I am very satisfied."

"Our child has developed all of her skills extremely well and the great part is that we believe that it's because of your caring staff."

"The staff and admin staff are amazing! Very attentive to each family's needs."

"I am very happy with this program. Excellent Staff!"

# Centennial Education Center CDC Testimonials

From parent surveys:

"Thanks to Centennial CDC, my son is doing great in school. Remember that your child's success starts here at preschool!"

"Mitzy is 9 years old now, and she still remembers the school, and all she learned from there. She is very smart thanks to all the things that the teachers taught her. I now have another daughter. She's 1 ½ years old and I can hardly wait to bring her here too!"

"As a parent, I volunteered in the classroom at Centennial CDC and it motivated me to change my major from Computer Information Systems to Human Development. I am now a preschool teacher!"

"My daughter Lesli went to Centennial CDC and she's now in her last year at Russell Elementary. She will be going to Fitz Intermediate in the fall and was accepted into the AVID program. She's very excited about becoming an Architect!"

"The program has helped us a lot and gave us the opportunity of learning new things."

"Everybody at Centennial is very helpful and professional."

"I am very happy that my daughter is attending this school. It is a safe and healthy place for children to be!"

# Santiago Canyon College CDC Testimonials

From parent surveys:

"Words will never express our satisfaction or gratitude to the Child Development Center. The administrators, teachers and staff exceeded our expectations. ...Our recommendations to others are that the center deserves an A+."

"...every time we are there (Center) the children and staff seem to all really be enjoying themselves."

"...the playground is the best, wide with grass, plants and trees."

"The teachers are experienced - some of them working over 20 years, educated and loving people."

"The focus on activities and environment appropriate to each age group has encouraged our child to learn and be excited about learning."

"In toddler room, really like the addition of the daily reports, connects me with my child's day."

"Warm and friendly from the moment you walk into the Center and are greeted by the Director and Secretary to the welcome in the classroom. Quality!"

"It has given me and my husband the flexibility to finish school."

"The focus is on activities and the environment which is appropriate to each age group has encouraged our child to learn and be excited about learning."

# Orange Education Center CDC Testimonials

From parent surveys:

"My child has learned so many positive things while attending this school. She is very happy when she comes to school. It makes us (her parents) happy, too."

"My child loves to go to preschool at the OEC-CDC, even when he is feeling sick he still wants to go to school."

"I've learned so much from the program and feel that I am a better parent because my child goes to school at this Center."

"My son has learned to share with other children and has learned to be in an environment with others besides his family."

"I am very satisfied with everything that my daughter has learned. The teachers are very good and professional."

"For me it has been very important because I have been able to return to school after 11 years and know that my child is in school learning, too."

"I am taking English classes at OEC while my child attends the preschool. I am hoping that the classes will help me get a better job."

"My child has learned so many things while he has been at this preschool. He knows his letters, numbers, colors and has made so many friends – he has told me that he hopes this school never ends!"
