

UNDECIDED ABOUT A MAJOR OR CAREER?

IF YOU HAVEN'T DECIDED ON A MAJOR OR CAREER, THEN:

1. **Decide how many units you want to take.** (See *Guidelines on How Many Units to Take*, page 3)

2. **Select courses from the areas listed below:**

- **Courses to improve basic skills**

- English
- EMLS (English for multi-lingual students)
- Mathematics
- Reading
- Study Skills

- **Counseling classes**

(See page 8 for a listing of additional counseling courses and descriptions)

Counseling 100, **Lifelong Understanding & Self Development** (2 units)
(Introduction to college, programs & services; making an educational plan)

Counseling 116, **Career/Life Planning & Personal Exploration** (3 units)
(Discovering interests & exploring careers; developing an educational plan)

Counseling 107, **The Freshman Experience** (3 units)
(Development of personal learning style. This course is linked with one or more courses such as English and mathematics. Students must enroll in a block of linked courses.)

- **General education requirements for Associate Degree or transfer to a university**

(See *Plan A, B, or C* on pages 18, 19, 20 for specific course requirements)

- **Introductory courses in a career or occupational area of interest to you**

Courses such as art, electronics, business, clerical, marketing, dance, etc.

- **Courses of personal interest to you**

Courses such as Counseling 125, Exploring Leadership; Counseling 120, Assertive Self-Development; Business Application computer skills, Using the Internet; Exercise Science courses such as swimming, golf, tennis, etc.

3. **Take advantage of free, non-credit career workshops offered through the Career Planning Center.**

- Undecided Majors Workshops
- Job Interviewing and Resumé Writing

4. **After the semester begins, make an appointment with a counselor.**

Plan to do some semester-by-semester and long-range academic and career planning. For a personal appointment with a counselor of your choice, call:

- Santa Ana College Counseling Center, (714) 564-6100
