

In Blackboard

Creating a Turnitin assignment in Blackboard is quick and easy! No sign-in is required.

1. **Select the Bb menu item** you would like for the Turnitin assignment to reside in, select "Create Assessment" and "Turnitin Assignment".

2. **Complete the Assignment title, possible point value, start, end and post dates.**

The screenshot shows the Turnitin 'New Assignment' form. The form is divided into two main sections: 'general' and 'dates'. The 'general' section includes fields for 'Assignment title' and 'Point value', both of which are highlighted with red boxes. Below these fields is a checkbox for 'Enable grammar checking?' with a link to 'Learn more about e-rater® grammar check'. The 'dates' section includes fields for 'Start date', 'Due date', and 'Post date', each with a date picker and time selection. These date and time fields are also highlighted with red boxes. The form is titled 'New Assignment' and has a navigation bar at the top with links for Messages, English, Feedback, What's New, and Help.

3. Scroll down and select to view the many “Options” for your Turnitin assignment and click “Submit.” (Refer to Turnitin resources for setting information.)

You will receive a “successfully added” message:
Click “OK”

Your Turnitin assignment is ready for your students. Click the chevrons to select “Edit” if you want to change any of the options or dates you specified in the above step.

You have created:

- A Turnitin assignment that will be compared against multiple databases including the Internet
- A Grade Center column for your paper

4. **Grading Turnitin Assignments:**

a. From your **Grade Center**, you can grade the individual student's paper:

Select the “!” symbol, chevrons and “**View Grade Details**” and
Select to “**View User Activity**”

Or, if you do not use the Bb Grade Center, to view originality reports:

b. From the **Control Panel, Course Tools**, select **Turnitin Assignments**, select the title, showing you the originality report and student submitted file.

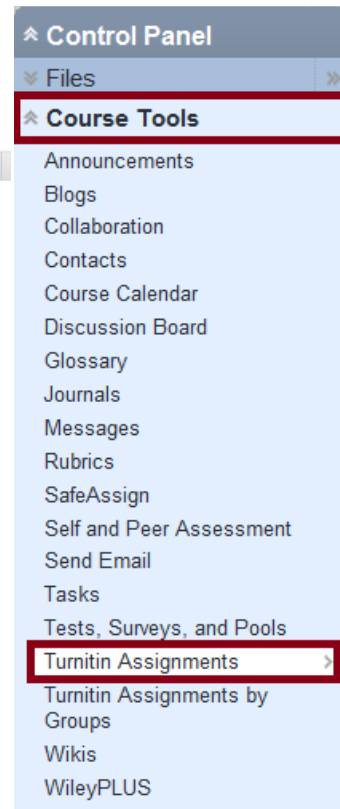

<input type="checkbox"/>	AUTHOR	TITLE	SIMILARITY	GRADE	RESPONSE
<input type="checkbox"/>	Student, Cherylee M.	Internet history	100% 		

5. Comments and More: For the individual student you can see their attached file and the Turnitin Originality plagiarism report. You can also create, save and return the paper with comment balloons to the student, as well as easy grammar markups.
