Santa Ana College Distance Education, Cesar Chavez Building Room A-101, (714) 564-6725, DistEd@sac.edu

STUDENT QUALIFICATIONS TO OBTAIN A PROCTOR

A proctor is an approved adult who observes a student who is taking an examination for the purpose of assuring academic honesty and test integrity. The student must secure a proctor at an off-site location if:

1. The student is unable to come to the Santa Ana College campus to take a required proctored exam, and;
2. The student lives or works more than 50 miles from the Santa Ana Campus. (This includes military students, and students out of state and out of the country.)

APPROVED PROCTORS

If a student is unable to take his or her examination(s) at Santa Ana College, the student must arrange to have the examination(s) supervised by an appropriate proctor. Qualifications of the proctor must accompany the Test Proctoring Form. Suitable proctors are listed below.

The following two approved proctor options are preferred by Santa Ana College:

1. A university, college or community college testing center proctor. (If the university, college or community college has a test center, students are expected to have their exams proctored there.)
2. Professional testing center proctor.

Note: In all cases, the proctor must be willing to stay with the student for the full duration of the exam. Friends, relatives, neighbors and direct supervisors of the student are NOT permitted to proctor examinations.

ARRANGING FOR A PROCTORED EXAMINATION

To take an off-site proctored exam, the student must secure an approved proctor and an approved test location as follows:

1. **Find a proctor and test site.** Contact the testing center at a university, college, or community college near you. Retain a qualified individual to proctor your examination. Arrange for a date and time for the exam. You are responsible for paying any expenses involved. Suggested locations:
 - [National College Testing Association \(NCTA\)](#)
 - [California Community Colleges](#)
 - [California Community Colleges- Proctoring Network](#)
2. **Fill out paperwork to get proctor and test site approved.** Complete the information required on the Test Proctoring Form (page 3 and 4), and have the proctor sign it. Scan and Email the completed and signed form to the Distance Education Office. This completed form must be received no later than ten (10) days before the first day of testing.
3. **Get proctor approval.** The proposed proctor may be approved or disapproved based upon the assessment of the request, after the Distance Education Office contacts the proctor. It is the student's responsibility to contact the Distance Education Office (714) 564-6725 regarding proctor approval.
4. **Your proctor will receive your exam.** After your request has been approved, the exam(s) and instructions will be emailed to the proctor. It is the student's responsibility to confirm the date and time of the exam with the proctor.
5. **Your proctor will return your exam.** Your proctor must return your exam by email to the Distance Education Office by the date marked on the Off-Site Proctor Instruction Sheet, which will be sent with your exam.

Note: Notify the instructor and the proctor if you need to reschedule your exam.
