

Support for Students with Special Needs Certificate

Child Development and Education Studies Department

The Support for Students with Special Needs Certificate is designed to prepare students with knowledge, skills, and resources to address the diverse needs of children and adolescents with special needs. Students are offered intervention strategies, adaptive curriculum, and tools to both support and empower educators and families in both natural and/or inclusive education settings.

**New
Certificate!**

Why earn this certificate?

Careers

- Learn skills to apply in the early childhood and K-12 school setting
- Add to your professional skill set with the knowledge, skills and resources to support students with special needs

Professional Development

- Build your “toolbox” of strategies and techniques
- Earn professional growth units and a new certificate

Lifelong Learning

- Whether you are a parent, advocate, educator, or simply interested in supporting students with special needs, you will develop a new and valuable skill set.

9-Unit Certificate:
