The mentoring sessions are voluntary, but are very beneficial in a Recruits preparation for the Academy. During these sessions Recruits will be instructed on the following: Academy Protocol, Formation, Marching, Basic Speeches, Disciplinary Exercises, Physical Training Speeches/Exercises, Inspection and Flag Ceremony.

There are waiver forms that every Recruit will sign when they arrive at the mentoring session.

(This is not a class through Santa Ana College, this is voluntary)

*It is suggested that all Recruits wear workout attire for these sessions, because they will be going through Academy Protocol for physical training as well.
