

Job Openings For Certified Occupational Therapy Assistant

\$25 – 30+ per hour

In Southern California
(Palmdale, Lancaster & Santa Clarita)
Stay One Step Ahead of the Rest
Join Our Exceptional Team At
Community Therapies

**We Offer Opportunities Working With Children
In A Multi-Disciplinary Team
Population Include:**

- * Early Intervention (Birth to Three) ***
- * Preschoolers (Three to Five) ***
- * School Age Children ***

We are looking for a dynamic individual who loves working with children. Become a member of an innovative multi-disciplinary team including occupational therapists, speech therapists, early interventionists, counselors and others. You will gain outstanding experience working in a variety of settings. Come explore the world of early intervention, (0-3 years old) as well as working with school aged children. Our private clinic is a training site for USC's Occupational Therapy Department, CSUN's Communicative Disorders and Sciences Department, UCLA's Social Communication Program, the State of California's mentor teacher program, and is a non-public agency.
