

Our pediatric practice in the U.S. Virgin Islands has been growing exponentially, and we are looking for more enthusiastic, neurodiversity-affirming therapists to join us in our mission to empower children and their families in an underserved community (that just happens to be a tropical paradise)! We have clinics in St. Croix and St. Thomas, with plans to expand services to include St. John. We offer pediatric OT, SLP, and PT as well as special programs including Lactation Support, Aquatic Therapy, Nature-Based OT, and "Speech on the Beach."

Occupational Therapy Assistants welcome, too! **Learn more:** [www.jstherapies.com/careers](http://www.jstherapies.com/careers).

We're excited to now have HOUSING options available for shorter-term contracts, though we prefer a minimum of 1-year. This is a great place for an adventure, and an amazing place to call home!

To inquire, please contact:

Julie W. Sommer, MSOT, OTR/L

Occupational Therapist & Clinical Director
