Norco, CA (<http://maps.google.com/maps?q=4211+Valley+View+Avenue+Norco+CA+92860>)

[Apply \(/Recruiting/Jobs/Apply/1682725\)](#)

Job Type

Full-time, Part-time

Description

Are you ready to have fun at work? Leaps and Bounds Pediatric Therapy is excited to find someone to join our team! We support our coworkers by helping them, working together, and by creating an environment of inclusiveness and positivity.

Leaps & Bounds Pediatric Therapy is a multidisciplinary outpatient private practice in need of a licensed Certified Occupational Therapist Assistant. We are a growing and fast-paced campus that offers Physical, Occupational, and Speech therapy services in a traditional clinical setting, as well as on our ranch, with the incorporation of the horse as part of a comprehensive evidence-based plan (hippotherapy.)

At Leaps & Bounds, the family is at the center of our mission, we work together to help children reach their therapy goals and improve the quality of life for our families. We celebrate all abilities and advocate for the children we serve. We are appreciative of the opportunity we have to make a positive impact on our communities by providing families with quality care.

If you are looking for opportunities of professional and personal growth, this is the place for you! We are rapidly expanding and have a location in Norco & Corona, with a Riverside location coming soon! Leaps & Bounds Pediatric Therapy provides employees with substantial support and training, including continuing education opportunities. We highly encourage collaboration between all three disciplines, to help our children reach their full potential.

Join our team! Together, we can continue to help children grow by Leaps & Bounds!

Essential Functions

- Provides direct occupational therapy to children and follows documented treatment plans or protocols.

- Helps patient accomplish goals outlined in treatment plan to increase independence in activities of daily living skills by administering therapeutic activities, and therapeutic exercises, and sensory skills.
