Job Announcement: COTA for Inpatient Rehab in Midland, TX – mentorship for new grads!

Seeking a Certified Occupational Therapy Assistant (OTA) for our fabulous inpatient rehabilitation hospital in Midland, TX. Our hospital provides a wide range of rehabilitation services with all the most innovative equipment and the latest technology with an experienced staff to mentor a new grad. This is a great place with a rich learning environment to join a new team or launch your career!

In addition to caring for general rehabilitation diagnoses such as stroke, spinal cord injuries, orthopedic conditions, amputation, pulmonary rehab, brain injury, multi-trauma, neurological disorders, cardiac rehab, dysphagia, rheumatoid disorders, myopathy, and industrial rehab, we offer a specialized inpatient program for stroke.

We have a vast network of highly skilled, independent private practice physicians, therapists, and nurses, and the most innovative equipment and rehabilitation technology, ensuring that all patients have access to the highest quality care. We offer a specialized inpatient program for stroke and brain injury that are accredited by The Joint Commission.

Our hospital has earned The Joint Commission's Gold Seal of Approval (R) for Disease-Specific Care Certification in brain injury and stroke rehabilitation.

As part of our hospital team, you will experience a therapy-focused environment which includes:

1. Cutting edge rehabilitation technology including robotics, biofeedback and functional electric stimulation systems
2. Spacious and functional work areas designed for patients and clinicians
3. Strong leadership and training through mentorships, promotional opportunities, and continuing education
4. The most comprehensive and extensive patient education tools in the industry
5. Use of evidence and outcomes to continually assess and improve our programs

Midland is a wonderful city with year-around outdoor recreation, a budding restaurant scene, great shopping, easy commutes, and friendly people.
