

OT to the Rescue, Inc. is looking for OTs and OTAs throughout Southern California.

We provide School-based OT services in non-traditional settings. The students we serve are located throughout Southern California. They are attending public charter schools in a variety of non-traditional settings, mostly schooling at home. Legalities of this job are governed by the California Department of Education (CDE) and special education legislature, and informed by the Guidelines for OT and PT in California Public Schools.

This is a self-employment opportunity to contract with OT to the Rescue, Inc. As an independent contractor, you will determine your own schedule and work the number of hours you need.

OT assistants: supervision provided

New grads: mentorship available; must have strong school fieldwork experience

Job Requirements:

- • Valid license as an Occupational Therapist or Occupational Therapy Assistant with the California Board of Occupational Therapy (board exam eligible will be considered)
- • Driver's license
- • Business license
- • Professional liability insurance

Strongly recommended:

Solid background in school-based OT

Reliable transportation
