ABOUT US

THERAPY STAFF

is a nationwide therapist recruiting and staffing company that has served the health care industry since 2000. We place qualified Physical Therapists, Occupational Therapists and Speech-Language Pathologists, as well as therapy assistants, within all types of health care settings throughout the nation.

Therapy Staff is committed to achieving a standard of excellence. Our expertise and record of success position us as one of the leading health care recruiting and contract agencies in the U.S.

Our team of professional therapists consists of qualified, caring individuals who are motivated to build a flexible and successful career with us while surpassing client expectations.

Our recruiters stay current on industry trends and market knowledge. We take pride in our hands-on, personal approach to fulfilling the needs of both our therapists and clients. That focus, combined with the resources and support we provide for our therapists, allows us to make the best match for every assignment.
