**Photography 180 Beginning Photography** with El Modena, Canyon, Orange and Richland High Schools' **Art of Digital Photography (UC)** class

#### **For students from the Orange Unified School District to receive credit @ Santa Ana College:**

Students need to receive a "B" or higher both semesters. Students come to Santa Ana College to the Career Education Office in R-107 with a copy of their high school transcript which illustrates that they completed the high school courses with the appropriate grades, along with a signed High School/ROP Completion of Articulation Course form. Additionally, the student must be currently enrolled in one class (any # of units) at Santa Ana College or Santiago Canyon College. This paperwork is then forwarded to Admissions and Records and takes about 2-4 weeks to process until the credit appears on the student's college transcript. The credit will be shown at the bottom of the transcript and listed as credit by exam. Currently, students only receive a pass and the units of credit (no letter grade is given, but through the efforts of SB 1070, this policy might change).
