

## Rancho Santiago Community College District

And

## Garden Grove Unified School District

**LISTING OF SECONDARY ARTICULATED COURSES**

Earn college credit while still in high school through Garden Grove Unified School District and Rancho Santiago Community College's Career Pathways Program. All students who successfully complete an **articulated** class may be recommended by their high school instructor for advanced placement and/or college credit upon enrolling at Santa Ana College or Santiago Canyon College.

**Speak directly with your high school teacher or counselor for more information.**

IF YOU TAKE:		You can receive college/advanced placement in:
