

Welcome Santa Ana College Students!

MyMathTest is a dynamic, interactive testing program. Access to the MyMathTest program has been provided for you by **Santa Ana College**.

Before You Begin:

To register for MyMathTest you will need:

- ✓ A MyMathLab student access code: **WSSMMT-GIBLI-BRAYS-BURAN-PIZZA-WISES**
- ✓ Your school's zip code: **92706**
- ✓ A valid email address

Student Registration:

- Go to www.mymathtest.com and click the **Register** button under "First Time User"
- Please read all information in the License Agreement and Privacy Policy. Click on **Accept** if you agree to the terms
- Follow the instructions on the screen to create your personal login and password
- Type in your student access code using the tab key to move from one box to the next
- Enter your first and last name and email address. Re-type your email address to make sure it is correct
- Select United States from the School Country drop-down menu
- Enter your school zip code (**92706**), and select **Santa Ana College** from the school name drop-down list.
- Select a security question and answer to ensure the privacy of your account
- When your registration process is complete you will see a confirmation screen. This information will also be emailed to you. Please be sure to save or print your login name, password, and account information.
- Click **Log In Now** and then click on **Enter MyMathTest** to begin.

Logging In:

- Go to www.mymathtest.com and enter the login name and password you created. Click on Enter MyMathTest.
- The first time you log in you need to enroll in one of the **Santa Ana College** MyMathTest programs.
- Type in the appropriate program ID from the list below:
 - Santa Ana College Math Placement Levels I and II - **XL15-T1JN-401Y-6EV2**
 - Santa Ana College Math Placement Levels III and IV - **XL15-T1JS-501Y-2EW2**
- The program opens to the announcements page, please review all program information.
- If you are using your home computer **run the Browser Check**. It will detect and then help you install the plug-ins you need to access the math exercises and multimedia content in your MyMathTest program. Follow the screen instructions to complete this process.
- MyMathTest supports PC and Mac computers, using Internet Explorer, Firefox, and Safari.
- After completing the installation process and closing the wizard you will be back on your program home page.
- *NOTE: The MyMathTest software may already be installed on student lab computers at your school. If you aren't sure, check with your lab administrator.*
- Be sure to work the 8 **Student Orientation** exercises found in your study plan before starting your assessment. These exercises show you how to enter your answers using the math tool palette.
