

We are the **do something**
for “**See something,
say something**”

LiveSafe

Safety. In Everyone's Hands.

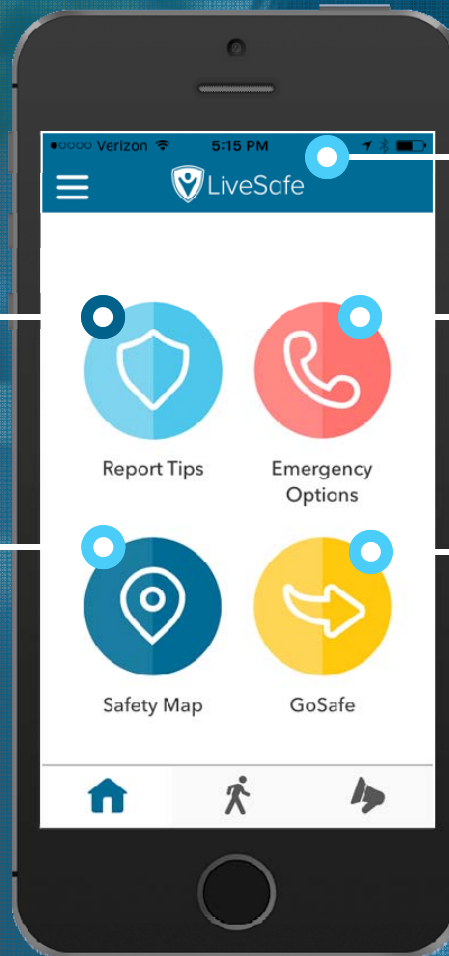

Mission

**Enable a culture
of safety through
student
engagement**

Safety. In everyone's hands.

Campus Resources
– Access emergency procedures and other safety content

Report Tips - Share safety info with campus safety and designated departments

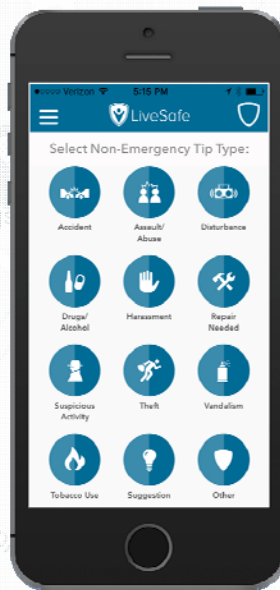

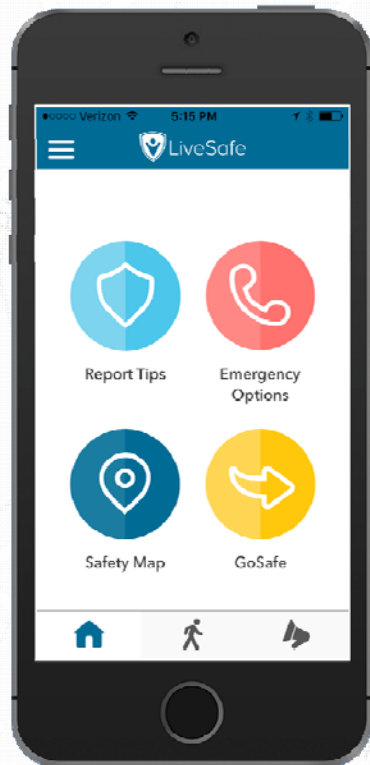

Emergency Options – Have quick access to emergency help, utilizing location data for faster response

Safety Map – See nearby “safe places” and campus buildings

GoSafe – Look out for friends as they walk home and request an safety escorts from your campus SafeRide/escort program

Core platform functionality: App and dashboard

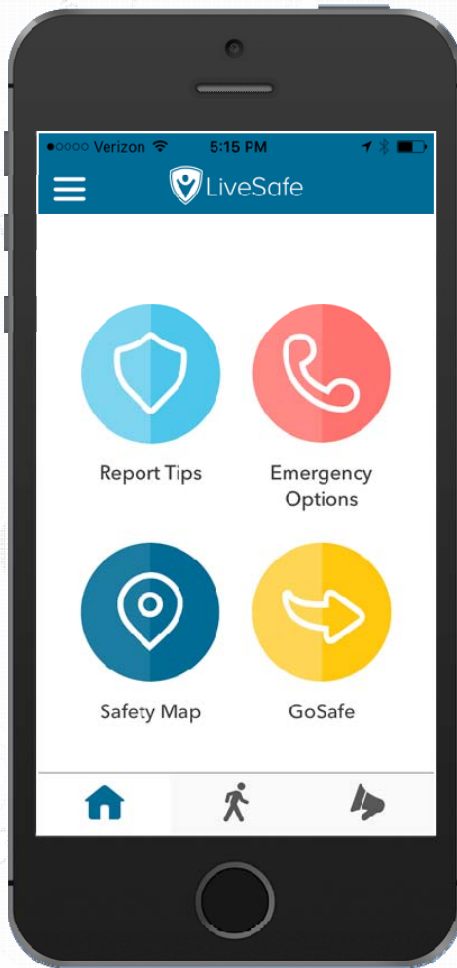

**The mobile app -
share info and get
help**

**The Command Dashboard –
immediate information**
