---

Good afternoon,  
The Santa Ana College Research Office has added a new Dashboard to the Research Department Tableau Files Folder located at: <H:\Public\Research Department Tableau Files\Dashboards>.

The new dashboard is the **SAUSD Math Pathways Tool**. This tool follows the SAUSD Class of 2016 students from their last math course in high school through their enrollment at SAC (First Census) in Spring 2017. The tool allows for an understanding of the math pathways of the students as well as a visualization of the student's progress in the pathways.

If you need assistance with this tool please contact Whitney Youngren at [Youngren\\_whitney@sac.edu](mailto:Youngren_whitney@sac.edu) .

You are receiving this email because Tableau Reader software  has been added to your computer. This software will allow you to access and utilize dashboards that have been published to the following folder: <H:\Public\Research Department Tableau Files\Dashboards>.

Best,  
*Whitney E. Youngren*
