The Santa Ana College Research Office will be providing an opportunity to learn about your data!!

Join us for our Flex Week Sessions on Wednesday, February 8th!!

RSVP using the links below...

Session One

Wednesday, February 8th 2017

2:00PM to 3:00PM

SAC Institutional Research – An Overview of Recent Studies and Data Analysis

Description: This workshop provides the opportunity to meet the Santa Ana College Research staff and gain insight about Santa Ana College data. Participants will receive an overview of research studies done utilizing Santa Ana College data, the outcomes of college initiatives and surveys, an overview of the Santa Ana College website, and will learn how to utilize the Santa Ana College Research Office for department and program research needs.

Please RSVP at: <https://www.surveymonkey.com/r/sp17researchflex>

Session Two

Wednesday, February 8th 2017

3:00PM to 4:00PM

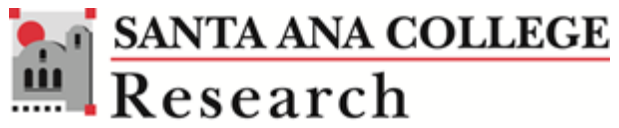

Student Success Tools: An Introduction to the Santa Ana College Dashboards

Description: This workshop provides the opportunity to meet the Santa Ana College Research staff and gain an understanding of how to use the dashboards created by the Santa Ana College Research Office. The session will include a tutorial of S.E.A.T (Student Equity Action Tool), N.E.A.T (Non-Credit Equity Action Tool), and the Degrees and Certs dashboards. Participants will also have the opportunity to work with the a SAC researcher to understand how the dashboards can be utilized to examine their own class, department, or program data.

Please RSVP at: <https://www.surveymonkey.com/r/sp17researchflex>
