## VOICE-OVERS: YOU'RE ON THE AIR

Voice-overs are hot today! You don't have to be an actor to get voice-over work, but it certainly doesn't hurt! With such notable talent as Morgan Freeman, Glenn Close and Alec Baldwin lending their voices to commercials, films, and videos, one would think that it would be next to impossible to break into this field. Not so! In this class you'll learn about an exciting new way to work on your own terms and turn voice-overs into a thriving full or part-time business! Jon St. John, a successful broadcast and voice-over artist will introduce students to the voice-over business as a whole. He will talk about the numerous opportunities; discuss voice-over technique; the income potential; and the all-important demo and how to have it produced. You'll step up to the microphone to do some practice recording, and best of all, hear the results!

*Jon St. John has over 30 years of broadcasting and voice-over experience.*

SOLAR POWERED ATTIC FAN

Solar powered attic fans are designed to reduce heat build-up and remove moisture in attics. It's commercial grade, heavy duty construction provides more power than other fans, better circulation, and improves airflow in attic space. Attic moisture causes mold and mildew and can cause attic insulation to lose its effectiveness. The solar powered attic fan is easy to install; electricians, permits or inspections are not required. Solar attic fans help create a balanced, more energy efficient home. It also extends the life of common asphalt shingles! Consider installing a solar powered attic fan and qualify for Federal Tax Credit with local utility and municipality rebates. **A \$15 material fee is payable in class.**

Voice-overs are hot today! You don't have to be an actor to get voice-over work, but it certainly doesn't hurt! With such notable talent as Morgan Freeman, Glenn Close and Alec Baldwin lending their voices to commercials, films, and videos, one would think that it would be next to impossible to break into this field. Not so! In this class you'll learn about an exciting new way to work on your own terms and turn voice-overs into a thriving full or part-time business! Jon St. John, a successful broadcast and voice-over artist will introduce students to the voice-over business as a whole. He will talk about the numerous opportunities; discuss voice-over technique; the income potential; and the all-important demo and how to have it produced. You'll step up to the microphone to do some practice recording, and best of all, hear the results!

*Jon St. John has over 30 years of broadcasting and voice-over experience.*

## FIT FOR A QUEEN: PRINCESS DIANA EXHIBIT ABOARD THE QUEEN MARY

Today's experience can only be described as "Fit for a Queen!" First a docent-led tour of the elegant Bradford house, a modified Queen Anne Victorian-style home which is an excellent example of turn-of-the-century home. Built by rancher Albert Sumner Bradford in the early 1900s, highlights of the house include a ruby glass window, coved ceilings, handcrafted hemlock staircase and other delicately designed features. Next, enjoy an optional fine tea lunch on the famous Queen Mary or eat at one of the ship's various eateries. Onboard the ship, you'll tour the special exhibit, Diana: Legacy of a Princess that allows you to step in the shoes of the woman who changed the way we looked at a Princess forever. Diana's true essence is captured as her exhibit showcases a priceless collection of her gowns, dressing room display and other cherished treasures—this is one of the largest collections of Princess Diana memorabilia! Get an in-depth look at other major members of the British Royal Family, those who actually visited or sailed on The Queen Mary including King George V and Queen Mary, the Duke and Duchess of Windsor, The Queen Mother and Queen Elizabeth. Also, see designer sketches of Diana's gowns, handwritten letters from all the major Royals and more! There will also be time to browse the Queen Mary's public spaces and shops. Suggested: walking shoes.

## SPACE SHUTTLE ENDEAVOUR

Spend a day at the California Science Center (after the massive initial crowds have died down) and be one of the first to see the space shuttle Endeavour up-close and personal! This is a very special and exciting opportunity as Los Angeles is one of four sites to receive a space shuttle from NASA. Before viewing the orbiter, you will start with Endeavour: The California Story, an exhibit featuring images and artifacts showcasing the shuttle program in which the orbiters were built; components that flew into space with Endeavour, such as the potty, galley and the tires from STS-134, the space shuttle's final mission. Then, see the magnificent Endeavour space shuttle itself! You will also get the chance to explore video experiences and significant artifacts such as the Spacehab flown in one of Endeavour's shuttle missions. Prior, enjoy an included IMAX show (IMAX show to be announced). Lunch on your own at the California Science Center eateries or bring a sack lunch.

MARION DAVIES BEACH HOUSE

Embark on a docent-guided tour of the famed Marion Davies Guest Beach House, developed in the 1920s by William Randolph Hearst for actress Marion Davies! The original Marion Davies home is now the Annenberg Community House, a famed L.A. landmark. Originally featuring 100-plus rooms and an ornate marble swimming pool, the Beach House was a hot spot when Hearst and Davies entertained luminaries from Hollywood such as Charlie Chaplin, Louis B. Mayer, Samuel Goldwyn, Greta Garbo, Clark Gable and other stars of the day. The original tile and beautiful moldings give a glimpse into the home’s glamorous past that makes you feel as though you were a guest of Marion Davies herself! Prior, enjoy time at leisure for lunch and shopping at the Santa Monica Place or Third Street Promenade. Later, we will stop at the Santa Monica History Museum to see the interactive “Then & Now” exhibit and explore how Santa Monica’s landscape has evolved. View newspaper headlines of Santa Monica’s past and enter a replica of the under-construction middle section of one of Douglas’ aircrafts. Suggested: walking shoes as there is a guided walking tour during the day.
