VOICE-OVERS: YOU'RE ON THE AIR

Voice-overs are hot today! You don't have to be an actor to get voice-over work, but it certainly doesn't hurt! With such notable talent as Morgan Freeman, Glenn Close and Alec Baldwin lending their voices to commercials, films, and videos, one would think that it would be next to impossible to break into this field. Not so! In this class you'll learn about an exciting new way to work on your own terms and turn voice-overs into a thriving full or part-time business! Jon St. John, a successful broadcast and voice-over artist will introduce students to the voice-over business as a whole. He will talk about the numerous opportunities; discuss voice-over technique; the income potential; and the all-important demo and how to have it produced. You'll step up to the microphone to do some practice recording, and best of all, hear the results!

DESCANSO GARDENS & NORTON SIMON

Descanso Gardens is one of the most beautiful locations in Southern California secluded in the San Rafael hills. During this time of year, this 150 acre garden will be in full bloom! Enjoy a narrated tram tour that provides a comfortable way to explore the magnificent grounds, Boddy Mansion and Art Gallery. Time to browse the gift shop. After, enjoy a delicious tea service at our favorite tea room in Pasadena, complete with sandwiches, scones, fresh fruit and dessert—plentiful for lunch. Next immerse yourself in the world of the Norton Simon Museum, known as one of the most remarkable private art collections ever assembled. Twentieth century industrialist Norton Simon amassed an astonishing collection of European art from the Renaissance to the 20th century and a stellar collection of South and Southeast Asian art spanning 2,000 years. Many objects are on view in the galleries and lovely gardens.

POMPEII THE EXHIBITION

Pompeii was a cultured and vibrant city rich in architecture and exquisite works of art. In 79 A.D. the city vanished beneath thick layers of volcanic ash caused by the eruption of Mount Vesuvius. Today over 150 precious artifacts are on loan, from the Naples National Archaeological Museum in Italy, at the California Science Center. Experience what this vital city offered from frescoes, marble statues, altars and shrines, before the grounds opened and the walls crumbled. Don't miss this limited engagement, after all, what nature destroyed, it also preserved! Prior to the exhibit, our day begins at LA Live entertainment district, surrounded by Staples Center and Nokia Theatre. You will have time to browse the center and enjoy lunch on your own at one of their many restaurants.
