Following, enjoy an included lunch with choice of entrée and dessert at the iconic Biltmore Hotel. Opened in 1923, this luxury hotel has always been a favorite of celebrities, presidents and dignitaries and has a storied past - it played host to a nightclub during Prohibition and hosted the Academy Awards. Enjoy time at leisure to explore the interior of the hotel to see frescos and murals; carved marble fountains and columns; massive wood-beamed ceilings; lead crystal chandeliers, and heavily embroidered imported tapestries and draperies. The hotel's famous Rendezvous Court is decorated with a Moorish Revival-styled plaster ceiling painted with 24 Carat Gold accents, two imported Italian chandeliers from 1923, and a grand Spanish Baroque Revival bronze doorway, whose astrological clock still keeps time today. Perhaps you'll recognize filming locations from movies like Chinatown, Ghostbusters, The Nutty Professor, Iron Man, The Dark Knight Rises and television shows such as Mad Men and CSI.

## GRIFFITH OBSERVATORY & WINE TASTING

We begin our exploration of our galaxy with the new IMAX film, Journey to Space 3D, presented on the 7-story movie screen at the L.A. Science Center. It features an inspiring reflection on the remarkable achievements of NASA's space shuttle program, including the assembly and launch of the International Space Station and the deployment of the Hubble Space Telescope. Missions like these have taught us how to live, build, and conduct science in space and helped to build the foundation for future space exploration. The film also features a fascinating showcase of the exciting plans that are underway for the next giant leap into space: landing humans on Mars. Next, enjoy an included lunch with choice of entr ee and dessert at the famed San Antonio Winery with time to shop in their unique gift shop and wine store. We then continue into the Hollywood Hills to the famed Griffith Observatory. This beloved L.A. landmark that recently underwent a \$93 million renovation and expansion is better than ever! Explore at your leisure the many magnificent astronomy exhibits with time to see a wonderful, free film about the Observatory's history and renovation process. The Observatory also offers a nice caf e and gift shop. There is an optional Planetarium show for which you may purchase tickets (\$5 seniors/\$7 adults) once you arrive at the Observatory, but space is subject to availability.
