### Activities:

Cosco Fire Protection is scheduled to perform the annual testing of the fire alarm system throughout each building on campus starting Monday, December 13<sup>th</sup>. Testing will start at approximately 6:00 A.M. Devices in each building will be tested causing audible alarms and flashing strobe lights to activate. The technician will be accessing offices and work stations as needed to check device operation. Every effort will be made to keep the disruption to a minimum.

Thank you for your cooperation and understanding as we perform the required annual test of the fire alarm system.
