The SSS (TRiO) Program works with a limited number of students each year. It is important to select students interested in transferring to a university and willing to take advantage of the personalized program services. Once a student is accepted to the program, they are eligible to continue with the program until the transfer and/or graduation goal is met. Participants will receive a wide range of services to help them academically and prepare them to transfer from SAC to a university within three years.

– Romelia Madrigal-Bryant, Director

SSS (TRiO) Program – Supplemental Questions

Change to: On a separate piece of paper, please **TYPE** your answers to the following questions as precisely as possible, using complete sentences and avoiding short yes or no responses. Your responses will reflect your motivation and preparation to succeed in college and whether you will benefit from the SSS (TRiO) program services.

1. Why are you interested in being part of the Student Support Services (TRiO) Program?
2. What makes you different from other students?
3. What (not who) motivates you?
4. Describe two personal strengths and two personal weaknesses.
5. What type of relationship do you have with your parents? With your siblings?
6. Describe how your parents encourage you to earn a college degree. If they don't, please be honest.
7. What responsibilities do you at home and will these responsibilities change once you graduate from high school?
8. What are your educational goals after high school? (be specific)
9. What do you see yourself doing after college?
10. There are ten students but space for only one more student – why should I select you?
