Degree Discrepancy

We have found a discrepancy with the information you submitted on your FAFSA vs. what resides with Santa Ana College's Admissions & Records office.

The 2023-2024 FAFSA, question #25 asked: "Will you have your first Bachelor's Degree before July 1, 2023?", and you answered: "No". However, you indicated that you have a Bachelor's Degree on your Admissions application.

In order to resolve this conflicting information, please complete the following and return this form to the Financial Aid Office. Please **initial** next to the item that applies to you.

_____ I do have/will have a Bachelor's Degree by 7/1/23; I authorize the financial aid staff to make a correction to my 2023-2024 FAFSA to indicate "Yes" on question # 25.

_____ I do not have/will not have a Bachelor's Degree by 7/1/23;
I have resolved this discrepancy with Santa Ana College Admissions & Records office. The bottom portion of this form has been completed by Admissions & Records.

TO BE COMPLETED BY ADMISSIONS & RECORDS STAFF:

Student Name: _____ ID#: _____

A&R office has reviewed this student's admissions records and confirmed that he/she does not/will not have a bachelor degree by 7/1/2023. As a result, the student degree status has been corrected on the INAT screen in Datatel (from IASU, drill down to Inst. Att and then drill down to INAT).
