**Financial Aid Disbursement Dates for Summer 2025**

Federal Grant is the foundation of Financial Aid for undergraduates who demonstrate need. The Pell Grant offer is based on the Student Aid Index (SAI), and full-time enrollment status. The Pell Grant disbursement will be prorated according to the active units if less than full-time. Summer Pell Grant awards are typically disbursed in one payment during the summer session based on the student's active units when the disbursement is processed. Students must maintain Satisfactory Academic Progress to be eligible.

**Method of Fund Disbursement:** Santa Ana College delivers your refund with BankMobile Disbursements, a technology solution, powered by BMTX, Inc. Visit this link to review your refund choices and timing for each choice: <https://disbursements.bmtx.com/refundchoicessso/>. Students must select their financial aid disbursement method to receive their financial aid award funds within the disbursement schedule. Selecting a refund preference can be done by logging in to the student self-service portal, choose the disbursement option (BankMobile Disbursements) by clicking on "Access BankMobile," and follow the instructions to choose the preferred method of disbursement. Students who do not select a refund preference will have their paper check delivered by the USPS after 21 business days from the funding day.
