High School Graduation Certification Form For the Entitlement Cal Grant Program

Where do I submit my high school graduation certification?

Please submit this form to the address at the bottom of this page or submit it online at www.webgrants4students.org.

What does completing all graduation requirements mean?

Completing all high school graduation requirements means you have passed all required coursework and passed any required examinations, if required. When leaving high school, graduates would have been given a diploma, not just a "Certificate of Completion." If you are unsure, please contact your high school.

What if I don't have a diploma but I do have a graduation equivalent?

Instead of graduating the General Education Development (GED) Test, High School Equivalency Test (HiSET), or Test Assessing Secondary Completion (TASC). A passing score on one of these tests is considered the equivalent of high school graduation and satisfies the high school graduation requirement necessary for a student to participate in the Entitlement Cal Grant program.

What if I have not graduated from high school or do not have a graduation equivalent? What can I do?

You are not eligible to receive Entitlement Cal Grant benefits if you have not graduated from high school or achieved the equivalent. However, state law gives potential Entitlement Cal Grant participants until December 31 of the award year to complete the high school graduation requirements. If you have not yet graduated, but expect to graduate prior to December 31 of the award year, keep this certification form and submit it after you have completed all your graduation requirements. If you have not graduated from high school, or achieved the equivalent, by December 31 of the award year, you would not be eligible to receive a Cal Grant. You may reapply next year, by the March 2 application deadline.

This certification can be completed online at www.webgrants4students.org.

If you have questions or need additional information about your Entitlement Cal Grant award, please contact the California Student Aid Commission by phone at (888) 224-7268 or by email at studentsupport@csac.ca.gov
