EmpowerED: Building
Inclusive Communities

Thurs., April 25 | 12-1:30PM |
JSC 101 -the spot

Join us for an exciting workshop facilitated by the UCLA Tarjan Center where they will answer questions and teach best practices for interacting and supporting peers within the disabled student population.

Transcending Labels:
Understanding the Trans
& Autism Intersection

Tues., April 30 | 11-12:30PM | I208

Did you know? Research reveals trans individuals are 3-6 times more likely to be autistic than their cisgender counterparts.

Join us for a groundbreaking workshop shedding light on the intricate intersection between the transgender community and autism.

For disability-related accommodation requests, please contact Disabled Students Program and Services (DSPS) at (714) 564-6295 or dsps@sac.edu by April 18th. For more info about either events email student_activities@sac.edu.
