

# ONLINE COURSES FOR SPRING 2015

## Online Course Participation/Attendance, and Exams

Students enrolling in Online courses will have the opportunity to complete their course work outside of the classroom, although some classes combine on-site testing with online instruction. Students may access course materials via the Internet either at home or using an on campus computer.

## Hybrid (Blended) Courses

Hybrid (blended) courses are courses that combine face-to-face classroom instruction with online learning. Students will have required instructional on-campus meetings. On campus required meeting dates, time and place, and instructor contact information can be found on WebAdvisor (<http://sis.rsccd.edu>)

## Important Notes for both Online/Hybrid courses:

- Access to courses will be available on the first day of classes.
- Students on wait lists must email the instructor the first week of class to be considered for enrollment.
- It is extremely important that your email address is current in Blackboard, and that your address, phone, and email, is recorded and current in WebAdvisor.
- Please contact the Distance Education Office if you are unable to login to access your Blackboard course(s) at 714-564-6725 or by email: [sac\\_disted@sac.edu](mailto:sac_disted@sac.edu)
- Information regarding online learning, Blackboard help and Frequently Asked Questions can be found at our website: [www.sac.edu/disted](http://www.sac.edu/disted)

- On campus required meeting dates, time and place, and instructor contact information can be found on WebAdvisor (<http://sis.rsccd.edu>).

## Access Requirements

Santa Ana College uses Blackboard as the course access tool for online and hybrid courses. Students log on to: <http://rsccd.blackboard.com> to access Blackboard using their WebAdvisor account.

Online and Hybrid courses require students to have:

1. Access to a computer with an Internet connection
- Internet access is also available to students in the Academic Computing Center, located in the Cesar Chavez Building (A-106) and the SAC Nealley Library
2. An email account
3. Basic computer skills
4. Online Orientation Completion
- Complete the orientation **before** you take an online or hybrid course
- Logon to our college Blackboard site and follow the directions to complete the Student Online Orientation

Online courses are identified in the class listing by this symbol.

Hybrid courses are identified in the class listing by this symbol.
