

## TOP2CIP information applied to ADTs and Common Course Numbered Templates

### PREFACE

This document is not intended for guidance. This document is TOP2CIP information applied to Associate Degrees for Transfer (ADT) and Common Course Numbering (CCN) templates. The California Community Colleges Chancellor's Office collaborated with the Academic Senate for California Community Colleges (ASCCC) representatives to identify CIP codes for existing Transfer Model Curricula (TMCs) and CCN Templates. Identical CIP codes for all colleges will apply to the corresponding ADTs and CCN Templates and will be uploaded directly into COCI; no college action is required.

CIP selection prioritized outcome alignment, the educational scope of an associate degree, and the presence or absence of existing specificity within Taxonomy of Programs (TOP) codes, rather than relying exclusively on within-discipline specificity. It is important to clarify that CIP codes are used for reporting and classification purposes.

The process for CIP selection using the 2026 TOP to CIP crosswalk was as follows:

- For ADTs, the group reviewed the existing ADT TOP codes and selected the corresponding CIP code that is most generally applied.
- For CCN Templates, the group reviewed the TOP codes that colleges are currently using. Based on that information, the codes were checked against the current crosswalk to determine the best fit, and the corresponding CIP code that is most generally applied was selected. Efforts were made to retain CTE status across TOP and CIP codes where applicable.

CIP codes do not determine Minimum Qualifications or local discipline assignment under Title 5 or the Program and Course Approval Handbook.

Unless noted below, ADT degrees did not change CTE or non-CTE status when moving from TOP to CIP codes.

### ADT TEMPLATES

- Child Development ADT: At the time of this writing, Child and Adolescent Development, TOP Code 1305.10\* Child and Adolescent Development, is assigned to CIP Code 19.0706 Child Development. The corresponding CIP code is non-CTE, potentially moving this ADT from a CTE TOP

Code to a non-CTE CIP Code. We have asked the Centers of Excellence to confirm the non-CTE status of the CIP Code.

- Nutrition and Dietetics ADT: At the time of this writing, this TMC is assigned to CTE TOP Code 1306.00\* Nutrition, Foods, and Culinary Arts and will be assigned a non-CTE TOP Code 19.0501 Foods, Nutrition, and Wellness Studies, General, moving this ADT from a CTE TOP Code to a non-CTE CIP Code. We have asked the Centers of Excellence to confirm the non-CTE status of the CIP Code.

## CCN TEMPLATE NOTED DETAILS

All math courses except statistics are assigned to the CIP Code of 27.0101 Mathematics, General. All English courses are assigned to 23.0101 English Language and Literature, General. All Statistics courses, regardless of subject area or contextualized discipline, are assigned 27.0501 Statistics, General.

## Phase IIB Templates

- Child Growth and Development, CDEV C1000/H: It was observed that most colleges used TOP 1305.00\* Child Development/Early Care and Education to CIP 19.0706 Child Development. These CCN Templates moved from a CTE TOP Code to a non-CTE CIP Code. At the time of this writing, we have asked the Centers of Excellence to confirm the non-CTE status of the CIP Code.
- *At the request of the colleges, Calculus II: Early and Calculus II Late Transcendentals – Embedded Support templates have been added to the CCN list and templates will be available on the website soon.*

## Phase III Templates

- All Anatomy courses have been assigned to a CIP of Physiology. No anatomy CIP Code exists in the CIP crosswalk list. At the time of this writing, we have asked the Centers of Excellence to add the CIP Code of Anatomy, 26.0403.
- An appropriate ESP CIP is not available. This template is intended to be equivalent to be Academic Reading and Writing for multilingual students, therefore given the intended outcome of the course, the same CIP Code is used for ENGL C1000 and the proposed ELMS C1000 Template.
- There will be Honors versions for all Phase III templates listed below when they are released.
