Dear Sheriff Barnes:

**Orange Sheriff's Office
Standards and Training for Corrections (STC) Program
Fiscal Year 2025-2026**

Your agency is a voluntary participant in the Standards and Training for Corrections (STC) Program, administered by the Board of State and Community Corrections. Title 15, Division 1, Chapter 1, Subchapter 1, Article 8, Section 318, of the California Code of Regulations requires the Board to monitor each fiscal year the administration of each participating agency's STC Program, to determine whether the program is operating in accordance with your approved Annual Training Plan application, Title 15 regulations and the law. Your agency was monitored on August 19, 2026 for Fiscal Year 2025-2026.

After this review, using the criteria established by the Board of State and Community Corrections, it was determined that your agency met the criteria for mitigating circumstances and has operated its training program from July 1, 2025, through June 30, 2026, in accordance with the STC Program's regulations, policies and procedures. Therefore, your agency is in compliance for that period. Enclosed is a copy of the monitoring results for your information.

Congratulations on successfully completing this program cycle. Your attention to the planning and managing of your agency's training program is appreciated. We look forward to working with your agency during the next program year.

Sincerely,
**Forrest
