Santa Ana College Scholarship Program
Room S-201    714-564-6478     www.sac.edu/scholarships
Introduction:
Scholarships are awarded on the basis of various criteria established by donors and policies of the Scholarship Program to current Santa Ana College students. Please refer to the specific description for each scholarship. Scholarships are available to graduating sophomores transferring as a junior to a four-year college or university and to Santa Ana College students who are continuing their education in academic programs here. Individual donors, national associations, local clubs, societies, and businesses provide scholarship assistance. All awards are based on the receipt of funding from donors. Additional scholarships may become available after the publication of this book. Those scholarships will also be awarded.

Scholarship monies are usually awarded in two increments, half in the fall semester, and half in the spring semester. Scholarship recipients will receive a detailed instruction letter by July 1. To receive scholarship awards recipients must show proof of their enrollment status, verification of units and grade point average requirements where applicable. A thank you note to the donor is also required. Students returning to SAC must bring picture identification to pick up your scholarship. Students are responsible for contacting the Scholarship Program office and submitting registration information. Transfer student upon receipt of registration information and a thank you note to the donor, the awarding process will begin. Scholarship awards may be fulfilled by checks, books, and/or fee payments, as determined by institutional policy.

General Requirements:
Applicants must be registered for classes at Santa Ana College in college credit classes. You must be enrolled in a minimum of six (6) units for the fall 2011 at Santa Ana College and six (6) units in the spring 2012 semester and have a total of twelve (12) completed college units by the end of the fall 2011 semester. For the purposes of this application process, all academic information must show on your Santa Ana College transcript by February 16, 2012. Students enrolled in the Nursing Program are considered full time students. To be considered for scholarships awarded to full time students, the students must show college enrollment at Santa Ana College in twelve (12) units in the fall 2011 and twelve (12) units in the spring 2012 semester. A three (3) unit exception may be made if a class is not offered at SAC.

As each scholarship has its own criteria in addition to the General Requirements, read carefully through this book to determine if your qualifications match those listed. You may apply for any scholarships for which you meet the criteria. If you have questions regarding your qualifications, please ask a representative in the Scholarship Program office, room S-201. If you have any questions regarding any part of this competition, contact the Scholarship Program. Students who need assistance in how to represent problem enrollment, missing financial information or questionable transfer status, along with any other issue may find it advantageous to contact Scholarships for advice.

Fill out the entire application. List all scholarships for which you meet the criteria on the “Applications Cover Page”. It is the applicant’s responsibility to have all items submitted together in one package to the scholarship office on or before the deadline. Please submit an original signed application and two copies of your original application. This is a total of three applications. Students who fail to turn in the required number of copies may not be eligible for full consideration. It is the applicant’s responsibility to have all items to the scholarship office on or before the deadline.

Deadline:
Return completed application packets to the Scholarship Program office at Santa Ana College by February 16, 2012. The office is located on the second floor in the Administration building, room S-201.

Letters of Recommendation:
One letter of recommendation is required with your application. Recommendations are requested to be from Santa Ana College faculty, which include teaching faculty, librarians, coaches, and counselors. Students must turn in a minimum of one letter of recommendation with the application.
Transcript:
An unofficial copy of your SAC Transcript is required. It must show your cumulative grade point average including the fall 2011 as well as your spring 2012 enrollment in classes. The transcript information should be printed after the beginning of the spring 2012 semester, January 23, 2012. Please note that your transcript should be legible. Check printing setting to ensure a readable transcript. Most transcripts should be one to two pages; if your transcript is beyond four pages, you may need to changes the settings on your printer.

Scholarship Interviews:
Time is limited to contact student candidates regarding appointments for scholarship interviews. Students applying for scholarships that list “interview” as the selection process should keep in touch with the Scholarship Program beginning March 15. Lists of students invited to interview for scholarships will be posted in the Scholarship Program (S-201).

Important:
Keep this book. The overall guidelines and rules of competition are listed here for your reference. You may need to refer to them after the February 16, 2012 deadline. Be sure to sign your application package. The Scholarship Program is unable to share application information if your application package is unsigned.

Preparation:
The Scholarship Program offers information on application preparation, presentation, essay style, and recommendation letters. Appointments are available to review student applications and autobiographical statements. Contact the Scholarship Program at SAC_scholarship@sac.edu to schedule an appointment. These services are not available on February 16, 2012.

Awards Ceremony:
Recipients will be invited to attend the Scholarship & Awards Ceremony, held May 7, 2012. As a condition of receiving a scholarship, named recipients are required to attend the Ceremony. Invited students who are unable to attend the Ceremony may contact the Scholarship Program if this condition cannot be met. We wish to apologize, that due to time limitations, the official notification “List of Recipients” will be posted in the Scholarship office (S-201). We thank you for your understanding.

PLEASE NOTE: For the purposes of this competition,
• A “continuing student” refers to a student who in the fall 2012 semester, will be returning to Santa Ana College to continue his/her education.
• A “transferring sophomore” refers to a student who in the fall 2012 semester, will be attending a four-year university or college with junior status.
• During the competition period, part or all of your application will not be available for your review. If you would like to review your scholarship application, after the competition has ended, you may make a request in writing to set up an appointment for application review.

Please visit the Scholarship Program throughout the competition for changes and updates to this book. We are happy to see you.

Thank you and good luck!

AUTOBIOGRAPHICAL STATEMENT

Your statement is very important. The Scholarship Committee uses the statement to learn more about you as an individual and to understand your experiences, accomplishments and points of view. This statement gives you an opportunity to discuss attributes and experiences that may not be evident through a review of your academic records. Write a statement about yourself on separate paper using two sheets of paper, double spaced, and typed. Below is a list of items that you might consider covering in your statement.

1. Discuss your interest in your intended major, how your interest in the field developed stating your educational and career goals.
2. Provide information about your family and work experience. List any unusual family or personal circumstances of special consideration.
3. Provide information about your school and your involvement in community service.
4. State why it is important for you to receive a scholarship. How will a scholarship help you complete your educational goal?
5. Elaborate on any “qualifying statement” you have made. (For example, if you select the qualifying statement that you have a career goal to be a teacher, include that information in your statement.)

Special Circumstance: (Please check on the line below to be considered)

_____ I feel that I have a special hardship (family, personal, financial or other) that I wish the scholarship committee to consider. I have written about my situation in my autobiographical statement.
